The Court orders that the motion to amend issue is GRANTED and the amendments to the delayed application for leave to appeal are accepted for filing.

The Court further orders that the delayed application for leave to appeal is GRANTED, limited only to the issue whether the trial court erroneously scored Offense Variables 1, 2 and 9. The time for taking further steps in this appeal runs from the date of the Clerk's certification of this order. MCR 7.205(D)(3). In all other respects, the delayed application for leave to appeal is DENIED for failure to meet the burden of establishing entitlement to relief under MCR 6.508(D).
